cutting tools: shears

Professional Knife Edge Shears
F7521 10", F7520 12"

The perfect tool for cutting heavy grade carpets. Made from high quality carbon steel for long life, with a durable PVC handle for comfort.

F7529 Lightweight 10" Finney Shears

Quality, lighter weight shears, made in Germany with premium stainless-steel blades and rubber coated handles for maximum comfort when in use. Ideal for trimming carpet and underlay.

F7524-7 7" Professional Napping Shears 3 finger

The broad duck billed blade allows simple trimming of tufts and levelling of carpet seams, with a durable PVC handle for comfort.

F7524 Napping Shears 2 finger

Made from stainless steel.

F7525 Super Gripper Shears

High performance German engineered shears.

40mm cut length.

F7527 Mitre Shears

High performance German engineered shears. With stop faces at 45°.

50mm cut length.

F7528 Aviation Snips

High quality Wiss snips forged from molybdenum.

38mm cut length.

cutting tools: carpet cutters

F7159 Perfect Carpet Cutter

A quality carpet and vinyl edge cutting tool of durable cast aluminium with an interchangeable hooked or straight blade, for perfect edge-cutting flush against the wall edge. Blade depth is adjustable by brass thumb screw. Ergonomic design offers excellent comfort, cut after cut.

Takes either straight or hooked blades.

F7530 TrimMaster Trimmer

Ensures a precise cut when used with carpets or vinyl. Combines light weight and ergonomic design to achieve greater cutting accuracy. The angle and depth of the blades are quick and easy to adjust.

Takes either straight or hooked blades.

F7552 Araseur Carpet & Vinyl Trimmer

Excellent for thin carpet and vinyl cutting around any room.

F7552B Hooked Blades 20 x 5 =100

F7553 High Tech Cutter

Quick and easy trimming for all types of floorcoverings. Adjustable stops allow the cutter to tilt to a predetermined height depending upon the thickness of the floor covering.

F7553B Hooked Blades 20 x 5 =100

cutting tools: carpet cutters

	<p>F7551 Crain Deluxe Carpet Trimmer</p> <p>For easy trimming of stretched carpets along walls, with adjustable height and handle features, this is the go-to tool for all your carpet trimming needs.</p> <p>F7551B Blades 12 pack</p>
	<p>F7556 Crain Versa Cutter</p> <p>A versatile carpet cutter, designed to cut smoothly, without shearing yarns thanks to the thin steel row guide. Springs on either side hold the carpet down, whilst the steel foot plate maximises cutter life.</p> <p>Takes either straight or slotted blades.</p>
	<p>F7557 Jute Carpet Cutter</p> <p>Designed for producing a quick, clean cut with textile floor coverings which come with jute back. Complete with 10 spare blades.</p> <p>F7550B Razor Style Spare Blades</p>
	<p>F7558 Foam Back Carpet Cutter</p> <p>Comes with a spring arm designed to hold down the carpet whilst cutting textile floor coverings with foam back. Complete with 10 two-hole blades.</p> <p>F7558B Spare Blades.</p>
	<p>F7035 Crain Row Separator</p> <p>The Crain Row Separator will effectively open and spread rows for reduced shearing of carpet nap by the seam cutter. This double-ended tool has a pointed end for cut pile with a wider conical surface behind the point.</p>

carpet fitting tools: knee kickers

F7001 Roberts GT 'The General' - Gel Pad Knee Kicker

A rugged, high-performance tool, made from durable die cast aluminium for strength. The extra wide head has five rows of steel pins and four of nap grips at one end and gel core pad to help reduce shock at the other. The length is adjustable from 45 to 54cm to enable fitters to get the perfect reach.

F7006 Roberts GT-2000 Chrome Knee Kicker

A die cast aluminium body for maximum strength but lightweight and easy to handle. With a 28% wider head than other models it has five rows of steel pins and four of nap grips for better grip. The length is also adjustable from 47 to 57cm makes it easier to get the perfect length for the individual fitter.

F7002 Crain Deluxe Knee Kicker

The power rod construction supports the pinplate for better force transfer. Extendable in 5 positions. The pin dial offers 9 different settings. With an extra thick bumper for comfort and durability.

F7003 Crain Mini Stretcher

The Crain Mini Carpet Stretcher is ideal for stretch fitting carpets in tight spaces or in applications where a conventional stretcher couldn't be braced against an opposite wall. It works by hooking the tail blade attachment onto the tack strip making it a quick and convenient solution for many installations.

Comes complete with carrying case, instructions and seam repair attachment.

F7010 Crain Swivel Lock Power Stretcher

The swivel lock stretcher gives you the benefit of both swivel and straight heads. It has a 60° swivel range, which helps with patterned carpet. The stretcher has a built in locking pint that will allow you to lock the swivel head in 5 positions. There is a pin depth adjustment bar that will allow for variable pin depth penetration in different thicknesses of carpet. It comes with adjustable locking tubes and folding tail block. Complete with it's own wheeled carry case.

F7010E Crain Spare Tube

F7004 Carpet Glider

The Carpet Glider is a heavy metal roller designed for smoothing air bubbles from carpet making it ideal for use in double stick carpet installations.

Weight: 10kg

F7219 Carpet Claw

Designed to assist the installer by providing more purchase when removing stuck down flooring materials from the sub floor. Manufactured from lightweight cast aluminium for strength its powerful jaws operate on a lever system so that the harder they are pulled the tighter they will grip the flooring material.

F7014 Roberts Deluxe Heatbond Carpet Seaming Iron

The first choice for professionals worldwide. The streamlined low profile design allows for easy carpet seaming, with an even heat distribution for thorough melting. It's Teflon coated base makes cleaning fast and easy.

F7015 Crain Grooved Deluxe Heat Seaming Iron

The Crain Heat Seaming Iron now comes with a self cleaning teflon base. It has an air cooled heat shield for the protection of backings, dual indicator lights for 'power on' and 'heating' status, a strong Li-shaped handle and riveted iron tray to withstand the demands of site work.

F7015/110 - 110v

F7015/230 - 230v

F7015C Carrying Case

F7020 Straight Axle Seam Roller

To aid carpet seaming, ensuring a better overall contact with carpet backing and the adhesive or heat seaming tape. The spike wheels ensure full width pressure and prevent the carpet from sliding. Roller width 4".

F7020F Flexible Axle Seam Roller

As F7020, but with two pivoting axles. When moved forward and backward, the axles pivot outwardly then inwardly. This action mixes the carpet fibres and pulls the seam edges closer together for less visible seams. The star wheels press the carpet's backing into the hot melt adhesive. Roller width 4".

carpet fitting tools: heat seam tapes

F7021 Carpet Seam Clamp
These seam squeezers are made with a powerful torsion spring and two grippers that are oriented inwardly to pull and hold the seams together

F7021W Seam Weight 7.5kg
The seam weight has a white perforated base with an air space between the base and steel weight to allow heat and moisture to quickly dissipate.

Hot Seam Tapes
Offering a range of different specification tapes to suit your various requirements. All designed with the aim to give strength to the seam. Giving you the choice and confidence to select the right tape for the right job.

- F301 Supreme** 75 x 25mm, 8 x 25mm
- F331 Super LT** 75 x 25mm, 8 x 25mm
- F351 Standard** 75 x 25mm, 8 x 25mm
- F391 Supreme Gold** 75 x 25mm, 10 x 25mm

Did you know?
Floorwise produces **both carpet and wood/ laminate flooring underlay** from varying materials, polyurethane foam, sponge rubber, latex, crumb rubber, polyethylene, wool felt & wood fibres.

carpet fitting tools: tack hammers & tucking tools

F7022 Magnetic Tack Hammer

Polished steel construction with magnetic end and comfortable rubber grip.

F7024 Claw Hammer

General purpose hammer with claw for removing nails

F7026 Rubber Mallet

The white non marking rubber mallet is a simple, but essential, all-round tool for flooring contractors where a steel head hammer is often unsuitable for use.

F7025A Magnetic Driving Bar

This long-nosed hammering tool extends beneath radiators and other low clearance areas. The hammering tip is magnetised to temporarily hold a nail in position. The forged alloy steel body includes a bonded rubber-like handle that reduces impact vibration.

F7029 Carpet Awl

For holding and tucking carpet during installation

carpet fitting tools: tack hammers & tucking tools

F7034 Speedcatt Tucking Tool

This speedy creasing and tucking tool enables the carpet to be quickly, easily and tidily tucked over the gripper.

F7027 Metal Stair Tool 3½"

Designed with 3½" wide blade for faster tucking.

F7031 Bent Metal Stair Tool 3½"

With curved blade to help tucking under radiators and low clearance areas.

F7033 Nylon Stair Tool

A lightweight stair tool that is designed to be non-marking whilst its flexible nylon construction means that it will not damage the surfaces it is used on – or near.

F7028 Tack and Moulding Lifter

Curved design with notched ends for easy nail removal.

carpet fitting tools: nails, tacks and screws

Concrete nails

Made from hardened high tensile steel for maximum performance.

F7712 15mm Concrete Nails 500g

F7730 15mm Concrete Nails 1kg Tub

F7700 19mm Concrete Nails 500g

F7731 19mm Concrete Nails 1kg Tub

F7701 25mm Concrete Nails 500g

F7732 25mm Concrete Nails 1kg Tub

F7713 32mm Concrete Nails 500g

F7733 32mm Concrete Nails 1kg Tub

Ring Shank Nails

Superior quality ring shank nails for fixing gripper, hardboard and plywood to wooden floors.

F7710 20mm Ring Shank Nails 500g

F7720 20mm Ring Shank Nails 1kg Tub

F7711 25mm Ring Shank Nails 500g

F7721 25mm Ring Shank Nails 1kg Tub

F7714 30mm Ring Shank Nails 500g

F7722 30mm Ring Shank Nails 1kg Tub

F7764 Gimp Pins

Very sharp coloured pins with heads.
20mm 500g, fawn

Blued Tacks

Very sharp blued tacks

F7763 25mm 500g

F7763A 25mm 1kg Tub

F7768 Cork Pins

Very sharp and hard, but without heads, for hidden fixings
16mm 500g

carpet fitting tools: nails, tacks and screws

carpet fitting tools: staplers & staples

F7067 QuikDrive for Ply Kit

The fastest, most reliable and ergonomic way to install high volumes of screws to secure plywood flooring. QuikDrive is ideal for use on larger projects, using 19mm screws for fixing of ply to subfloor reducing the risk of damage to pipework.

QuikDrive can be used with all major screw guns, allowing them to receive collated strips of screws that can be driven into floor, wall and ceiling materials in a fraction of a second providing a fastening solution for every situation and material including: OSB, plywood, drywall, decking (softwood, hardwood and composite), steel, fibre cement board, construction connectors - all of which can be fastened down to substrates including timber or steel.

Complete kit includes: Makita Driver (110v), Quik Drive 19mm attachment, driver adapter takes 19mm screws, code MTHZ19E (1,500 qty in box) 240 volt driver/drill version also available

F7049 Tacwise 191ELS Combination Stapler and Nailer Tool

New and improved version of the Tacwise corded electric brads/pins gun, with metal circuit board and front opening nose for fast and easy reloading.

This gun can use Maestri staples up to 25mm and 18 gauge Maestri brads up to 25mm.

F7050 Maestri ME4000 Stapling Machine

Effortless and permanent fixing of hardboard, plywood, gripper to stairs and carpets or natural floorcoverings.

Supplied with carrying case.

F7050 Maestri Bronzed Staples

F7050/16 16mm, for hardboard, 10,000 per box

F7050/20 20mm, for plywood 10,000 per box

carpet fitting tools: staplers & staples

F7051 Maestri ME606 Electronic Staple & Brad Machine

Versatile stapler and pinner for effortless permanent fixing of hardboard, plywood, gripper, deep pile carpets and natural floorcoverings.

Supplied with carrying case.

F7051 Staples

F7051/18 606/18mm for Hardwood,4800 box

F7051/22 606/22mm for Plywood,4800 box

F7051 Brad/Pins*

F7051/TG15 15mm 8000 box

F7051/TG19 19mm 7000 box

F7051/TG25 25mm 5000 box

*not recommended for fixing hardboard, plywood.

F7063 R34 Rapid Staple Gun

The R34 Rapid Staple Gun is a powerful hand tacker with adjustable driving force making it suitable for stapling plastic film, insulation materials & carpets to wood.

F7063/8 - 8mm staples

F7063/10 - 10mm staples

F7063/12 - 12mm staples

F7063/14 - 14mm staples

carpet fitting tools: staplers & staples

F7061 Hammer Tacker

A steel hammer tacker designed with a non-slip rubber handle for user comfort and quality components to provide reliable operation for the fast tacking of carpets during installation.

F7065 Tacwise A54 Heavy Duty Hammer Tacker

The Tacwise A54 Heavy Duty Hammer Tacker is able to fire a range of staples quickly and effectively providing functionality and reliability for a variety of fixing tasks.

Staples

Suitable for use with F7061 or F7065 Hammer Tackers.

F7061/8 8mm 5000 per box

F7061/9 9mm 5000 per box

F7061/10 10mm 5000 per box

F7064 Staple Remover

Allows quick and easy removal of staples from most substrates.

Did **you** know?

Floorwise has one of the **widest ranges of floor and threshold profiles** perfect for joining or providing a **neat edge finish for all types of floorcovering**.

carpet fitting tools: hot melt guns

F7894 Heavy Duty Industrial Hot Melt Adhesive Gun

Robust, high output, electric 43mm glue gun, with electronic temperature control and auto standby.

- Temperature control modules from 130°C – 215°C
- Energy saving stand-by mode
- Higher output & trigger boost
- Fast recovery from standby

F560 Hot Melt Glue Slugs 43mm

5kg box – Approx. 85 slugs

F7891/12 Industrial Hot Melt Adhesive Gun

An industrially-rated 12mm glue gun that has very high glue output and is extremely easy to use. With interchangeable thermostat for greater temperature control.

F565 Hot Melt Glue Sticks 12mm

5kg box – Approx. 160 sticks

F7882 Hot Melt Glue Gun Carrying Case

Robust metal carrying case for all guns

measuring and scribing equipment: **measuring**

F7340 Metre Measuring Stick

The Metre Measuring Stick features metric measurements whose accuracy is guaranteed with the Government Stamp of approval – ideal when selling fabric floorcoverings by length.

F7335 5m Tape Measure

F7338 8m Tape Measure

Contoured shape design to fit comfortably in the hand, complete with trouser clip on the back.

F7304 2m Flexible Straight Edge

F7305 4m Flexible Straight Edge

Made from sprung steel, these straight edges are the perfect way to mark out straight lines. Complete with clip to hold them together when rolled up.

F7307 2m Non Slip Flexible Straight Edge

F7308 4m Non Slip Flexible Straight Edge

Similar to F7304/5 but with its non-slip rubber back, the straight edge remains steady, even on vinyl surfaces.

F7306 Adjustable Straight Edge

This tool has two sliding aluminum surfaces which are locked by a finger tightening nut. It can be adjusted between 60cm to 100cm. Perfect for working in doorways and on landings.

measuring and scribing equipment: **measuring**

	<p>F7302 Flexible T Square</p> <p>Made from sprung steel attached to a T-Square end. Designed to be rolled up and secured with a clip to hold them together for easy carrying. Perfect for the full scale marking out of treads and raked stages.</p> <p>F7312 2m Flexible T Square</p> <p>F7314 4m Flexible T Square</p>
	<p>F7535 Invisiseamer</p> <p>F7535D 6' Extension</p> <p>F7535E 12' Extension</p> <p>This three section cutting guide is the go-to tool for perfect seam edges, border work and mitred corners.</p>
	<p>F7516 Crain Nickel Plated Mitre Box</p> <p>This case hardened mitre saw guide has all the required angles. It has non-slip, non-marking pads on the base. The mitre box is a wood block, which will help save the blade on your hacksaw while achieving a clean cut through.</p>
	<p>F7350 Leica Laser Measure with Bluetooth Technology</p> <p>The very latest laser measuring technology, linking to your smart phone to accurately record measures.</p>
	<p>F7531 HygroMaster 2</p> <p>To accurately determine the relative humidity of a subfloor. The pre-calibrated hygrometer box incorporates an accurate thermo hygrometer that indicates both relative humidity and air temperature. Uses butyl tape to create airtight seal.</p> <p>F7531HS Hygrostick (each)</p> <p>F7532 Humidity Box</p> <p>F7532SL Humidity sleeves with caps (20 per box)</p>

F7120 Bar Scriber

This precision bar scribe has brass rollers. It is great for scribing widths up to 45cm.

F7120P Spare Pins x 25

F7121 Recess Scriber

Suitable for both wall and seam scribing. Easy turn brass fitting for controlled pin height adjustment.

F7121P Spare Pins x 25

F7122 Parajito Combination Scriber and Cutter

Used both for scribing and cutting resilient floorcoverings of all kinds. It can be used as a standard as well as a reverse scriber by simply turning the lower guide rail.

F7122P Spare Pins x 25

F7122B Spare Blades x 5

F7123 Parajito Scriber

Brass scribing tool for hard flooring. Horizontal and vertical adjustment for work range of 56mm and material thickness of up to 8mm.

F7123P Spare Pins x 25

F7124 8" Dividers

Precision spring dividers to aid measurement and help fitters accurately mark out the floor.

F7461 Straticut Laminate Guillotine

Designed to neatly cut laminate flooring with very little dust or noise. The guillotine comes with a balancing angle block to support the far end of the laminate board that the floor layer is trimming. The guillotine will cut planks up to 15mm thickness and a width up to 210mm.

F7409 Roberts Pro-Flooring Laminate Installation Kit

This kit provides everything you need to start installing vinyl, laminate and hardwood flooring like a professional.

This kit is reusable for future wood and vinyl flooring projects and includes:

- 30 Dual Expansion Joint Spacers
- Universal Tapping Block
- Wide Angle Pull Bar
- Double-Faced Mallet

F7415 Ratchet Straps & Clamps

Quality ratchet straps and clamps with adjustable spacer.

F7404 Power Shunter

Combination tool that hammers and shunts in one easy movement.

wood laminate & floor laying: guillotine, clamps & pulling tools

	<p>F7407 Roberts Rubber Mallet and Tapping Block</p>
	<p>F7405 Professional Tapping Block – Flat</p> <p>Made in strong nylon with an easy grip handle, this professional tool is used to tap laminate and wood flooring together without damaging the surface edges of the boards.</p>
	<p>F7406 Professional Pulling/Impact Iron – 55cm</p> <p>One of the best pulling irons on the market. It has a wide rear hook to spread the force over a wider area of the board to avoid damage.</p> <p>The raised hitting point is at the perfect angle to send the force forward and the front end may be used as a lever if required. The underside has felt pads to protect the boards.</p>

Did **you** know?

The Floorwise **Acoustica and Whisper** ranges of carpet underlays are an **excellent way of reducing impact sound** levels

PVC/lino laying equipment: **grooving & welding machines**

F7105 Leister Triac ST Hot Air Welder

This renowned Swiss made welding gun with electronic control, comes complete with turbo nozzle in a carrying case.

F7105/110 - 110v

F7105/230 - 230v

F7106 Leister Triac ST Hot Air Welding Kit

Complete with ST weld gun, grooving tool + blades, standard nozzle, speed nozzle, spatula knife, trimming guide and carrying case.

F7106/110 - 110v

F7106/230 - 230v

F7108 Leister Standard Nozzle

F7108S Leister Speedweld Nozzle

F7109 Leister Triac EasyFloor

The Leister EasyFloor holds all Leister hot air hand welding tools within the Triac product line. Manual joint welding in plastic PVC flooring, as well as natural flooring made of linoleum and rubber, become easier with the help of the EasyFloor holder. Thanks to the adjustable angle and precise guidance of the Triac hot air blower, users achieve constant welding zone preheating and increased weld quality during manual welding.

PVC/lino laying equipment: **cutting and laying tools**

F7153 Lino & PVC Strip Cutter

This handy tool is used for cutting linoleum and PVC strips for skirting, stairs and risers. Also used for trimming factory edges.

F7155 Leister 'Groovy' Groover Tool

Ideal for small surfaces that are difficult to access, executing clean grooves up to connecting walls.

F7155B Spare Blades

F7113 Router Handle

Router handle and blades for trimming weldrod. The ideal tool for trimming internal and external angles of coved surfaces.

F7113B Router Blades x8

PVC/lino laying equipment: cutting and laying tools

F7150 PVC Edge Trimmer

The perfect tool for putting the bevel back on cut tiles.

Set to a 25° angle.

F7150B Spare Blades x6

F7152 Linocutter/Scriber

Professional seam cutter for Lino and PVC. The cutting depth and width are infinitely adjustable. The robust baseplate runs on bearings so that it slides easily and doesn't damage the floor surface.

Uses **F7546 Heavy Duty**, and **F7548 Hooked Blades** for cutting.

F7136 Crain Steel Hand Roller

This hand roller for rolling vinyl at seams and other areas has a round edge solid steel roller, which allows it to work up - close to coving.

F7157 Pressing Hammer

This specialist hammer is used by floorlayers to press down the seams of Linoleum, PVC and rubber flooring into the adhesive to ensure good adhesion to the floor.

PVC/lino laying equipment: **cutting and laying tools**

F7141/28 Lino Roller 28kg

F7141/50 Lino Roller 50kg

Zinc-plated steel lino roller - 50 kg roller is fitted with transport wheels.

F7151 Mozart Trimmer

This weld trimmer gives a perfectly flat finish with no surface damage.

F7151P Leather Pouch

F7151B Spare Blades x5

F7110 P Type Grooving Tool

This tool cuts a groove in hard or safety flooring prior to welding the flooring sheets together. The replaceable blade on the front is made from sprung steel.

F7110B U Shape Grooving Blades x10

F7515 Professional Linoleum Tucking Knife

The hook-blade design gives easier cuts in corners and from underside. Also used as a tucking tool.

PVC/lino laying equipment: cutting and laying tools

F7130 Spatula Trimming Knife

F7130G Spatula Guide

F7130P Leather Pouch

This professional tool is used to remove and cut away the excess weld from the floor surface to leave a smooth finish between vinyl sheets.

F7513 Stubbi Cap Roller

The Stubbi Cap roller is designed to help achieve perfect results when installing capping.

F7514 Stubbi Cove Roller

The Stubbi Cove roller is designed to help achieve perfect results when installing coving.

PVC/lino laying equipment: LVT cutting tools

F7101 LVT Design Cutter

Ideal for LVT, but also suitable for cork, CV and rubber. This versatile cutter, with adjustable cutting angle 0-45° is fast, accurate, quiet and dust free. It is lightweight, so easy to transport.

F7101B Spare Blade

F7154 LVT Hole Cutter

Ideal hand tool to cut LVT for fitting around pipe. 4mm to 20mm range.

Along with tools, Floorwise also provide a limited range of workwear, safety clothing and accessories for the flooring professional. These have been carefully selected with functionality, protection and value in mind.

F7800 Snickers Floorlaying Master Trousers

You can count on the reliable protection and functionality every working day in these advanced floor laying trousers.

Featuring the innovative twist cut for a perfect fit.

- Kevlar® coated reinforcements on the knees for outstanding durability.
- Durable rip-stop fabric. with double fabric on the thighs for an even longer service life.
- Easy-access knife pocket with protective flap on the right thigh.

F7870 Snickers Beaded Knee Pads

Made up of polyethylene beads that make the knee pad light and breathable, they are designed to maintain their shape, hold their position – and won't slide around when you're hard at work.

F7817 Fento 200 Pro Knee Protectors

Protecting the knee and lower leg when kneeling, adding comfort whether sitting down or walking around

F7818 Medical Knee Pads

These knee pads give high level cushioning and total support to the whole knee area, preventing tendon and cartilage damage.

F7820 ProKnee A16 Knee Pads

A premium compact kneepad with all the right features to keep you going no matter what your job site looks like. Unlike many kneepads all parts of the ProKnee range are replaceable which ensures longevity and the ability to tailor your kneepads to your requirements.

F7805 Snickers D30 Craftman Knee Pads

Flexible when working, tough on impact. Active kneepads for active craftsmen, featuring shock-absorbing D3O® material for extreme protection and durability.

F7815 Leather Knee Pads

These durable knee pads give long lasting protection and comfort.

F7819 Super Soft Knee Pads

Made from washable neoprene these knee pads have a thick rubber insert for greater comfort.

The reinforced polyurethane coating will not mark or scratch the floor and the non binding Velcro straps fit below the knee to prevent chafing.

F7819L Super Soft Knee Pads - Leather

Made from natural leather these knee pads have a thick rubber insert for greater comfort.

The natural leather exterior will not mark or scratch the floor and the non binding Velcro straps fit below the knee to prevent chafing

F7955 30" Rope-handled Canvas Tool Bag

Heavy duty canvas tool bag with strap closures.

F7950 24" Rolling Tool Box

This fully-featured yet lightweight 24" toolbox is made from advanced "structural foam" materials. The thick walls are very durable but weigh a lot less.

The box rolls level with the ground thanks to a long, top-mounted pull handle that can be conveniently pulled along while walking.
